AGENDA TOPICS	DISCUSSION	Action Items Responsible Person
Call to Order/Introductions	Barbara Alejandre called the meeting to order.	
1.1 Approval of Agenda and Meeting Minutes	Motion to approve minutes for the September 21, 2020 meeting made by Peggi Hazlett. Motion to second by Josh Lee.	
2.1 Informational Items COVID-19 Essentials	<p>Melissa German, Program Manager with the Department of Public Health (DPH), provided a presentation and update on San Bernardino County’s (SBC) COVID response. She stated that the DPH Operations Center (DOC) had been activated since March 2020 to coordinate the community testing activities. Ten COVID testing sites were activated throughout SBC for residents to access testing. As of September 21, 2020, there had been 908 deaths and over 50,000 resolved (no longer infected) cases. She shared that the community could find additional data regarding COVID and the Health Officer’s orders at www.sbcovid19.com.</p> <p>The annual influenza (flu) vaccination campaign had begun. The campaign goes to various sites that have Point of Dispensing MOUs and tests the emergency plans. The flu vaccination events will serve as rehearsals for when the COVID vaccine arrives. The campaign will work with community centers, schools, cities, etc. to show where to go for the COVID vaccine.</p>	

	<p>to be built in Colton. He stressed that this facility would negatively affect the local environment and economy. He cited an increase in traffic congestion and truck traffic. As well as a reduction in healthy air quality, thereby negatively impacting the health/wellness of the community.</p> <p>Note: Due to time constraints, the committee granted Josh Lee the option to revisit this topic as an agenda item for the next Community Vital Signs Initiative Steering Committee Meeting.</p>	
3.1 New Business	<i>None due to time constraint</i>	
4.1 Committee Updates	<i>None due to time constraint</i>	
Announcement/Action Items 5.1	<i>None due to time constraint</i>	
Adjourn	Barbara Alejandre adjourned the meeting at 3:20 pm.	

NEXT MEETING: November 16, 2020
