

A stylized illustration of a human head profile in silhouette, facing right. The interior of the head is filled with a complex network of white dots connected by thin lines, suggesting a neural or digital network. Surrounding the head are numerous colorful geometric shapes (triangles, squares, hexagons) and icons. These icons include a dollar sign (\$), a Euro symbol (€), a lightbulb, a magnifying glass, a bar chart, a pie chart, a clock, a speech bubble, a Wi-Fi symbol, and various arrows. The overall theme is business, technology, and finance. In the bottom left corner, there is a small circular logo with the letters 'sb' in white on a black background, surrounded by a rainbow-colored ring.

TRANSIT SOLUTIONS

A 3D architectural rendering of a modern transit station. In the foreground, a blue and white high-speed train is stopped at a platform. The platform has a white roof and is surrounded by tracks. In the background, there are more tracks, a bus, and a large, modern building. The scene is set in an urban environment with trees and a clear sky.
